Dear Sir:

Applicants have reviewed charges totaling \$960 (\$240 and \$720) for this application which appears on the April 2005 Monthly Deposit Account Statement. A copy of the first and second pages of the Statement is attached. The fee codes on the Statement indicate claim fees which had not been paid. However, Applicant asserts that all excess claim fees were paid at the time of original filing. The continuation application cancelled claims 2-41. A Preliminary Amendment was filed as part of the continuation application and cancelled claim 1 while adding 20 new claims which included 4 independent claims, making the total filing fee \$790. Applicants included a check for \$790 for fees at the time of filing the Continuation Application.

Applicants then submitted a reconstructed file including a copy of the Continuation application with the Preliminary Amendment on March 4, 2005 because there had been no

communication at all from the Patent Office regarding this application other than Postcard Receipts for the various filings initiated by the Applicant. Upon submission of the reconstructed file, fees were charged to the Deposit Account based on the current fee schedule and without consideration of the claims changes made in the Continuation Application and Preliminary Amendment. However, since there were no changes to the application, only reconstruction of all that which had already been submitted, there should have been no fees due at the time of submission of the reconstructed file. Therefore, Applicants hereby request that Deposit Account No. 50-0413 be credited in the amount of \$960.

Respectfully submitted,

Kevin W. Smith
